

Strictly Non-commercial Use Agreement

As a condition of use of API.Bible, I agree that I will have no ads, revenue, paid-subscriptions, or in-app purchases.

My app does not and will not include:

- Advertisements included in app/site
- In-app purchases
- Freemium or paid subscription models
- Fundraising purposes (excluding non-intrusive tithe/donation links)*
- Any revenue generating use

**A good faith exemption is offered for minor, non-intrusive links for receiving tithes and/or donations. Interstitials or disruptive messaging for donations are strictly prohibited. This exemption does not apply to for-profit companies. The donation and tithe exemption is revocable at the discretion of API.Bible at any time, for any reason.*
